

# Protecto's BUTT PLUG

P - 25

**This Butt Plug will assist in a "Tight Rectal Sphincter" for most horses thus helping to eliminate air drawn into the rectal/colon.**

**The Butt Plug helps prevent Pneumovaginitis in mares, which not only affects the mare's race performance, but also can do damage to her reproductive system.**

***Butt Plug fastens to the Crupper  
with Velcro***

***Protecto Horse Equipment®***
